

 P8_5**Question**

The internet, social media and e-mail have opened new avenues for political activity and information seeking. Which of the following things have you done online or in social media in the past four year, or might do in the future? Send and receive election-related emails or messages between family, friends and acquaintances on social media

	1 I have done this in the past four years
	2 I have not done this, but I might do
	3 I would not do this under any circumstances
	9 Can't say
