

 P8_6**Question**

The internet, social media and e-mail have opened new avenues for political activity and information seeking. Which of the following things have you done online or in social media in the past four year, or might do in the future? Write about elections in your own blog or profile on social media (e.g. Facebook, Twitter or YouTube)

	1 I have done this in the past four years
	2 I have not done this, but I might do
	3 I would not do this under any circumstances
	9 Can't say
